

# Seasons Greetings from Midland House

Winter Newsletter 2024

**Midland House, Inc. (Midland-at-Home)**, maintains and distributes a benevolence fund established in 2012. As you have been aware for some time, “the mission of Midland House is to demonstrate the unlimited abundance and practical availability of Christian Science nursing care for all those that seek it by maintaining and distributing this fund to pay for

1. Christian Science nursing care at home, or if necessary, in a Christian Science facility
2. Christian Science nursing training, either in a facility or via a Christian Science nurse trainer in the field
3. Educating you in the field about your role in Christian Science nursing.

The first two points on this list can be quite expensive. Those needing assistance should not be without the means to cover their cost of care or their tuition (in the field of Christian Science nursing). We are very appreciative of the generous contributions from Churches, Societies, and individuals that help us to maintain these activities.

The following is a note of gratitude from a Christian Science nurse re the value of your donations. ***“In January of this year, I had training for CS Nursing, Level IV and am continuing to work toward Journal listing as a CSN. Midland House got me started and has helped all the way to this point. I am so very grateful.”***

How can you help maintain this much needed philanthropy? By your continued financial support which is greatly appreciated. Midland does not conduct targeted fund-raising nor sponsor activities designed to solicit funds. Direct contributions may be made by check, money orders, PayPal, or Zelle. You may also consider the following...

*A thought for today...*

**From the Church Hymnal by Mary Baker Eddy...**

Thou gentle beam of living love, and deathless Life!  
Truth infinite,—so far above All mortal strife,  
Or cruel creed, or earth-born taint:  
Fill us today With all thou art—be thou our saint,  
Our stay, always.  
(Hymn. 23:4 Truth, 5)
